Dedication

As a coach, he has brought respect and esteem to the town of Hopedale. As a teacher, he has shown us guidance, understanding, and true friendship. As a human being, he can only be described as first-class.

Always ready with a story or a laugh, a word of consolation or encouragement, he has been a model for us to follow. In sincere appreciation for the many ways in which he has given of himself for our class, for the Hopedale Public Schools system, and for the entire town of Hopedale; we, the Class of 1982, dedicate the **Dale '82** to Coach, Mr. Donald Klocek.

In Appreciation

Mr. William Rich. For his faithful directing during our drama festivals.

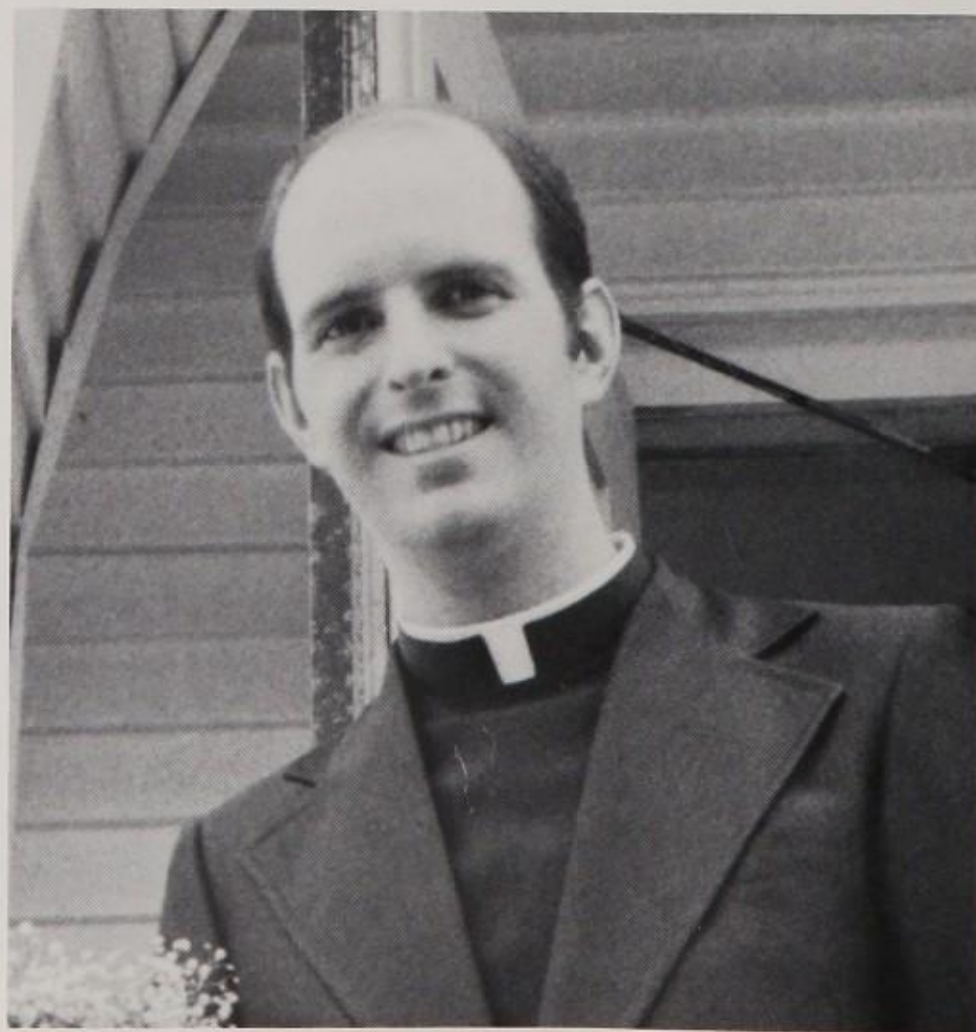

And special thanks to

Mr. Henry Kelley. For putting up with an insane yearbook staff half of the time.

Mr. and Mrs. Peter Greene. For putting up with an insane yearbook staff the other half of the time.

Mrs. Lucille Ela. For guiding, advising, and befriending us with the utmost spirit and dedication.

Rev. Dennis O'Brien. For simply being a friend.

The years 1981-1982 elicit sharp memories for all who experienced them. The vivid picture of the space shuttle Columbia ascending towards the dismal heavens, or the scene of a president laying helpless, wounded by a would be assassin's bullet, distinguished this time for any other.

Many events, both exciting and dreadful, transpired on the international level. Certainly the most wonderful was the much celebrated engagement and wedding of Prince Charles of England to Lady Diana Spencer. Known as Lady Di, the now Princess of Wales enamoured the world with her charm and beauty. However, other events did not bode as well. An unsuccessful assassination attempt on the life of Pope John Paul II shocked the entire world, while the murder of Egypt's President Anwar Sadat emerged as one of the year's greatest tragedies. In Poland, a direct affront to Communism, Solidarity, ended in the bitter imposition of martial law as Russian military might squashed any seeds of revolution.

The United States space program opened brand new doors for space exploration with the success of the first space shuttle. The Columbia, easily the greatest technological advancement of the year, once again catapulted the U.S. to the front of the space race. Politically, President Ronald Reagan recovered from an assassination attempt to dominate both U.S. and World politics. Forcefully aggressive, Reagan has initiated a new swing toward conservatism which may be seen in current legislation, such as the sale of AWACS fighter plans to Egypt. Extensive federal budget cuts in education, social welfare, and social security also serve as an important part of Reagan's plans to reshape the economy.

Locally, Proposition 2½, a tax relief measure which has drastically reduced public spending, has brought a host of problems to Massachusetts towns. This measure has depleted town budgets in such areas as schools, highway maintenance, police and fire protection, and countless other places. The murder of a Holliston police officer, James Johnson, also figured as one of the dominant news stories of the past year, along with the escape of the man convicted of Sgt. Walter Connelly's murder, Patrick O'Shea.

The Boston Celtics once again emerged as the best team in basketball for the 1981-82 season. Led by the inimitable Larry Bird, Tiny Archibald, and Robert Parrish, the Celtics have the makings of another dynasty. In football, the Cinderella San Francisco 49'ers captured Super Bowl honors over the Bengals of Cincinnati, while our hometown New England Patriots were victors in the first Stupor Bowl, receiving honors as the worst team in football. The New York Islanders utilized a strong forward line to take the Stanley Cup, as youngster Wayne Gretzky of Edmonton smashed many of hockey's long standing scoring records. Probably the biggest news in sports was a prolonged baseball strike which took two months away from the playing season. Many experts believe that the strike represents a low point in baseball history which typifies the inflationary salaries of today's players. Despite the chaos, the L.A. Dodgers managed to defeat the hated New York Yankees in the World Series.

Many fads and fashions have come and gone during 1981 and 1982. A colored square known as Rubik's Cube dominated the games market while a video game craze, pioneered by Atari and Bally, swept America. The predominant style of clothing was the "preppie" look, a return of the styles of the post war period. The soap opera General Hospital captured the attention of millions of viewers to find out about Luke, Laura, Heather, Scorpio, and a great many others.

To be sure, these events will leave an indelible mark upon our memories of our last year in high school.

Jr.-Sr. Prom

Junior Court (left to right): Donna Daudelin, Melanie Papelian (queen), Nancy Rostanzo, Cara Noferi.

The Junior-Senior Prom was held on May 24, 1981, at the Coachman's Lodge in Bellingham, under the organization of Debbie Grillo, Cara Noferi, Donna Daudelin, Sean Greene, Shawn Homand, and Jeff Farrar. Chaperones for the event included Mr. and Mrs. Joseph Proia, Mr. and Mrs. David Ela, Father Dennis O'Brien, Ms. Laurie Wodin, Mr. Steve Minnichello, and Mr. and Mrs. Kevin Dwyer.

"We've Got Tonight" served as the theme for the prom, and we were entertained by the captivating music of McPherson Strut. To be sure, a great time was had by all in probably the best activity our class has ever had.

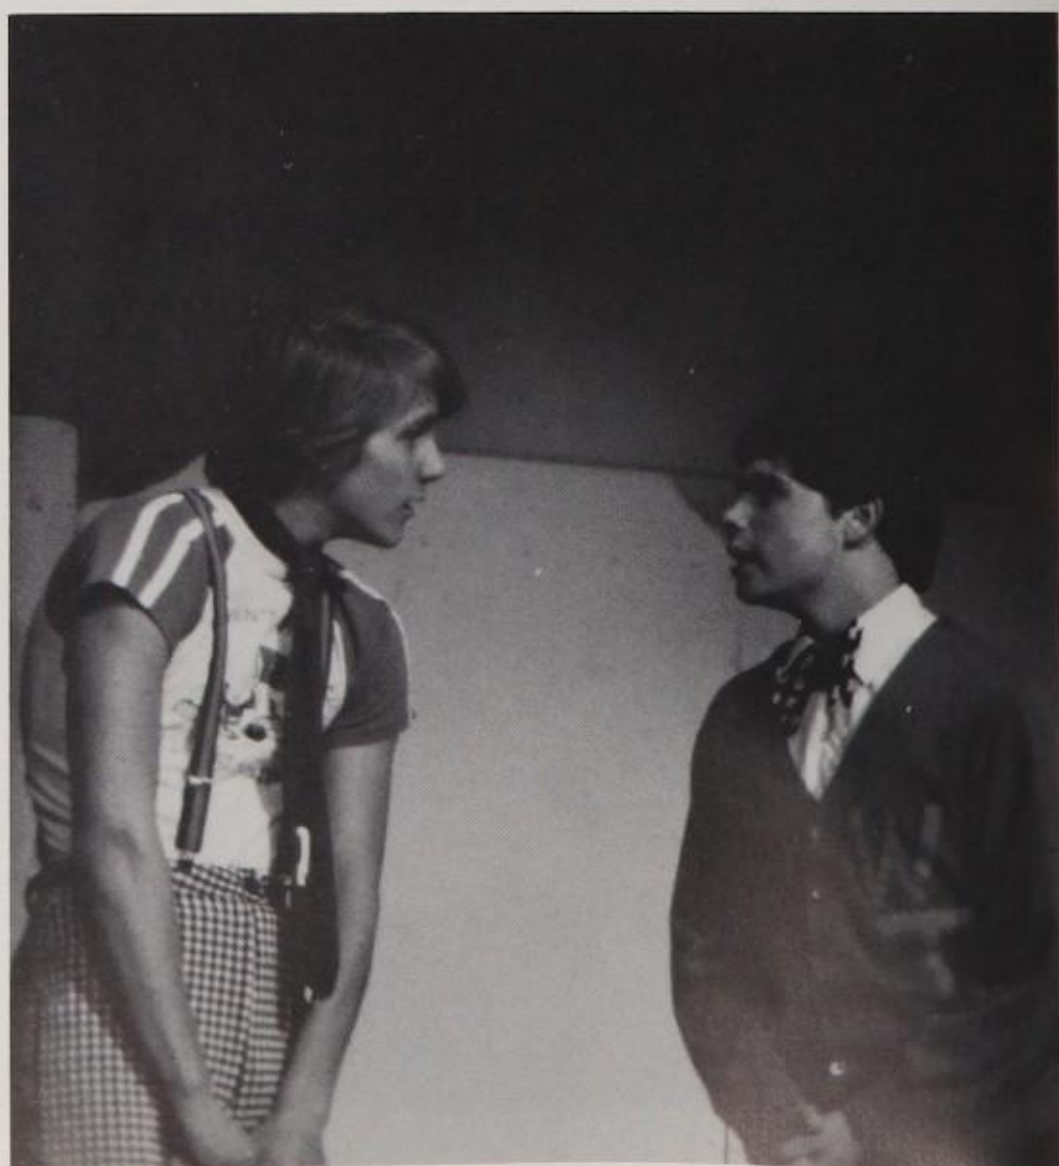

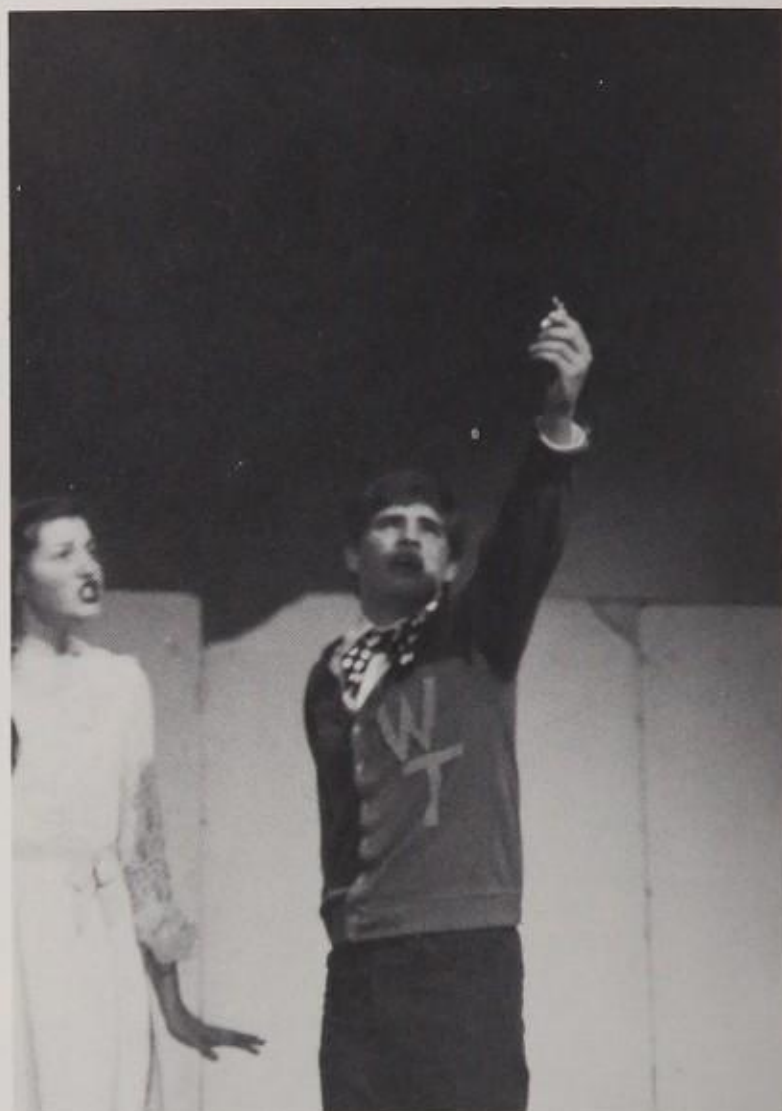

Senior Court (left to right): Cindy Chapman, Nancy Lawless (queen), Susanne Carnaroli, Kim Leighton.

Drama Festival

Our drama festival years, under the consummate directorial skills of Mr. William Rich, provided laughs for the present and fond memories for the future. One of the brighter spots in our festival years was the acting of Dana Gould, who made Hopedale High history by winning the Best Actor award three years in a row. Our class received many other laurels, but the greatest reward was the fun we had together.

Senior Tea

This year's Senior Tea was under the direction of Debbie Grillo and Cara Noferi. Held at the Hopedale Community House, the formal, annual function provided the junior girls with a gracious opportunity to say goodbye and to offer their good wishes to the graduating senior girls. The junior girls prepared refreshments under the supervision of Mrs. Pauline Howard. The preparation for the tea paid off, and a good time was enjoyed by all.

Baseball 1981

"Come on, Coach! Put me in."

"Typical Yankee fan."

"What a bunch of jokers!"

"Please, God, let me catch this one."

"Hey, I hit one."

"Larry . . ."

". . . Curly and Moe."

"Ugh, someone clean up that doggie dool!"

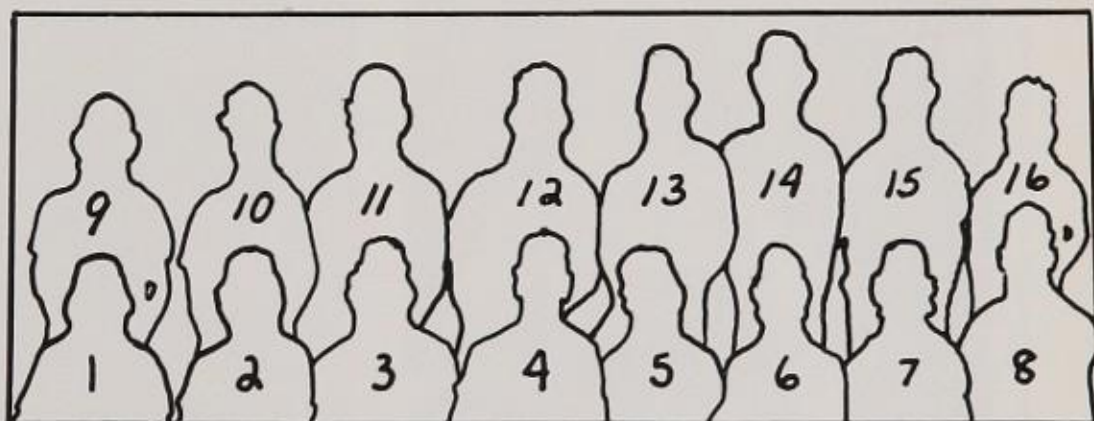

"Homerun trot?"

Recovering from an 0-5 start, the Hopedale varsity baseball team proceeded to win eleven of their next thirteen contests to take second place in the Dual Valley Conference and qualify for District III tournament competition. Instrumental in the resurgence were the batteries of Phil Vitali and Scott Duhamel-pitchers, and Shawn Moran- catcher. The Hopedale bats were triggered by outfielders Scott Hoffman, Phil Vitali, and shortstop Sean Greene, all of whom received all-star honors. In order to qualify for tournament play, the Blue Raiders had to win seven of their last eight games including having to defeat undefeated Blackstone-Millville. The team won the seven, defeating BM. 13-6, and qualifying for the Districts. There they lost to top-seeded Quabbin Regional, 10-4, at Foley Stadium, Worcester. Juniors playing important roles on this tourney team were infielders John Cowen, Shawn Homand, and Scott Duhamel. Outfielders Paul Areano, Don Cooper and Robert Wagman also contributed to this fine season.

Softball 1981

"Indian squaw?"

"What form."

"Well Excuse Me."

"Having fun, Kath?"

"Duh."

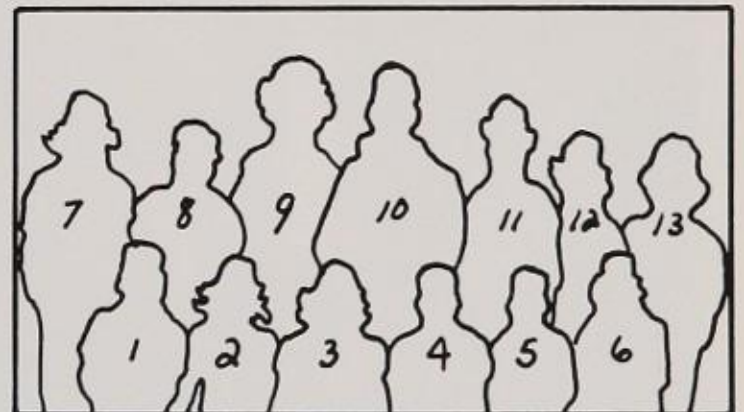

"Now let's win this one for the Glipper."

Characterized by an outstanding defense, strong pitching, a well-balanced batting order, and hard play by all, the 1980-81 softball season was a very rewarding year for all involved.

The team, lead by the outstanding play of seniors Jody Whyte, Leslie Livingston, Jane Bresciani, and Amy Grillo, finished with a 12-0-2 record. Also contributing to the team's success were seniors Cindy Chapman, Susan Wheeler, and Jeanette Stare, as well as juniors Kathey Dupuis and Sharon Robbins. Next year looks bright for the Blue Raiders with returning members Susanne Best, Wendy Goddard, Marie Franks, Gina Andreotti, Denise Tavares, and Caralyn Alberta all ready to play!

"Besty scores again."

Golf 1981

This season, the Blue Raiders broke away from independent competition and joined the ranks of Tri-Valley League. The level of competition they faced was intense. Although the won-lost record was not an impressive statistic, many accomplishments were reached throughout the season. Seniors Bill Johnson and Kurt Areano, competing in golf for the first time, continuously worked day after day and quickly gained the respect of teammates, as well as opponents. Juniors Mark Dion and Todd Desjardins were the backbone of the Raider squad. Their experience and ability should play a heavy role in determining the success of next year's team.

Tennis 1981

The 1981 tennis team started out as a very strong team, winning 3 out of their first 4 matches. The rest of the season went back and forth, beating Shepherd Hill at both meets and losing to a tough team Bromfield both times. Cara Noferi led the team at 1st singles, followed by Ellen Speroni at 2nd singles. Robin King, playing on the team for the first time, shared the 3rd singles' spot with Lori Bianchi. Nancy Lawless, Judy Cardone, Sally Shimkus, Ann Roberti, Kim Sparling and Patricia Larkin also contributed to a funfilled season coached by Ron Santacroce.

Soccer

"Ole."

"Pike, wait for me."

"CHARGE."

"Believe me! We're in trouble."

"No holding hands."

"Back off, or I'll pop ya."

"Now, Gus, watch and learn."

"Now, this is the ball! Kick it, right?"

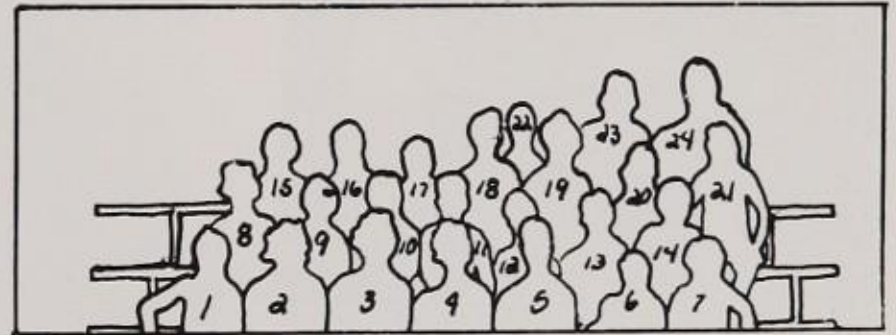

"Bugga, wrong way!"

The Hopedale Blue Raiders posted a 3-6-5 record in the Dual Valley Conference for the 1981-1982 season. This record is not a true reflection of the fine team effort put forth by a team consisting of ten starting seniors.

Due to a strong passing game lead by senior tri-captain and team leading scorer Sean Greene, as well as a solid defense consisting of goalie Don Cooper and fullbacks Eric Dec and Todd Desjardins, the Blue Raiders were contenders right up to the last minute all through the season.

The future looks bright for Hopedale because of a growing attitude of enthusiasm towards soccer and increased participation in the program throughout all grade levels.

Field Hockey

"But, Norm"

"Where is everybody?"

"Mental Anguish."

"Do it for Wag."

"I'm comin' Stelll."

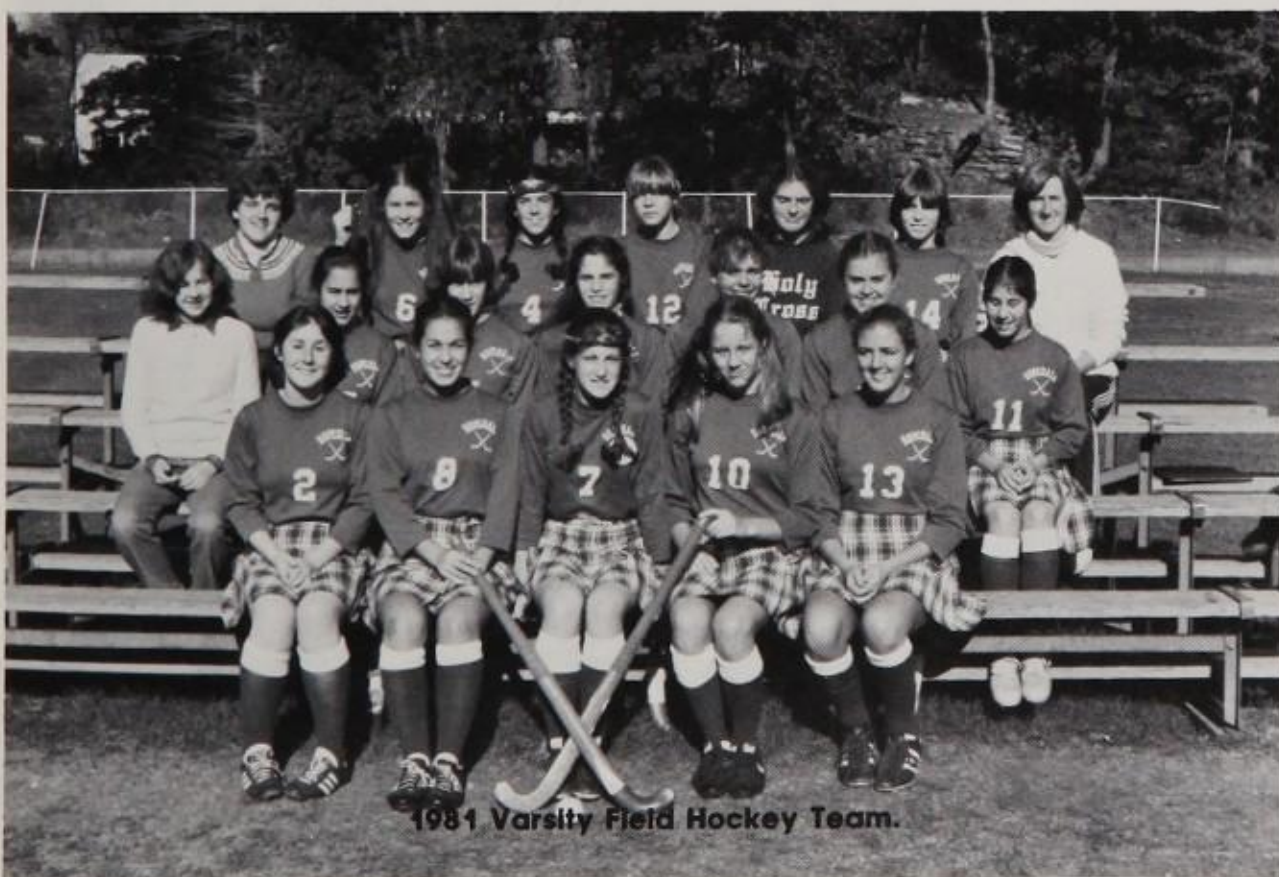

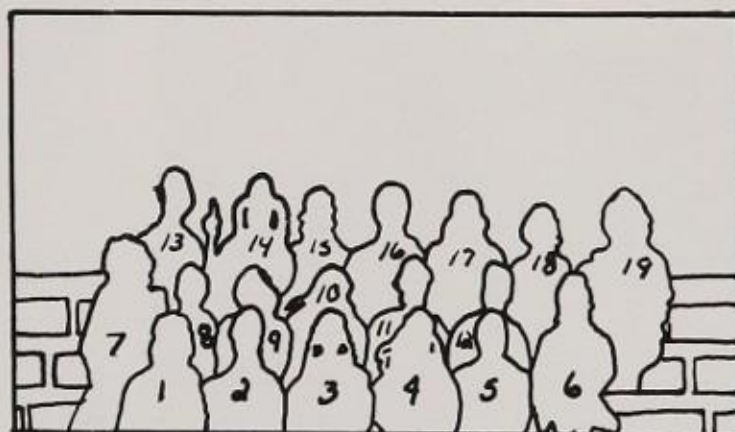

"Hurry up, Fitz."

The best way to describe our season is "frustrating." Our final league record was 2-7-3 and our over all record was 2-8-3 which included a very close, well-played season finisher against Milford. All season we put together games with spots of excellent play. Unfortunately, there were not enough "spots" to give us a winning season.

Senior Cara Noferi played very well at her new position, center forward, only being outscored on the team by June Daudelin. Seniors Kathey Dupuis and Judy Cardone helped hold up our defense and were the only other seniors on the team.

Next year looks more promising with thirteen of the varsity players returning, led by our league All-Star Gina Andreotti.

Cross-Country

"Another win for Fay."

"The Mod Squad."

"Left over Right, . . ."

"Hopedale leads the pack."

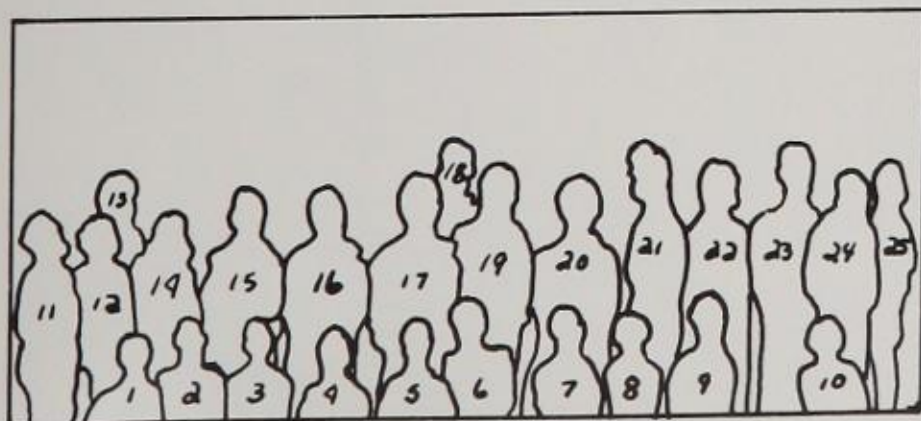

"Water!"

The 1981 cross-country team finished the year with a 7-7 record, despite several injuries and setbacks. Senior captain and league All-Star, Mike Fahey, lead the young Blue Raiders. Equally inspirational were seniors Chip Sparling and Ivan Duprey. A solid nucleus returns next year with Timmy Watson, Dearn Priester, Chris Bianchi, and Kenny Maffia.

"Bolson for two."

"It's my ball and you can't have it."

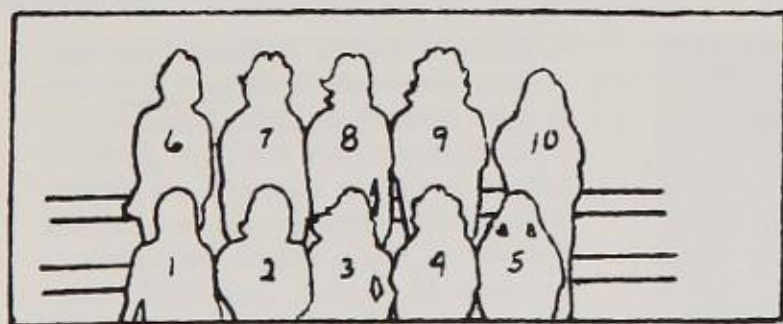

For the second consecutive year the Hopedale boys' varsity basketball team emerged as one of the forerunners in the race for the Dual Valley Conference crown. Through their first eleven games, the Blue Raiders possessed an outstanding 10-1 record, including a thrilling win over non-league rival Milford. The team qualified for both the district tournament and the Clark Tournament by virtue of its record. The team relied upon the starting five of Don Cooper, Bill Sutton, Eric Dec, John Cowen, and Sean Greene, along with key contributors by Vin Consigli and Allan Copeland.

1981-82 Girls J.V. Basketball Team

Despite a losing record, the Hopedale Girls' Varsity Basketball Team can be proud of their season. The girls put hard work and dedication into each practice and game and improved gradually as the season progressed. Marie Franks led the team both as a scorer and as a rebounder; Nancy Rostanzo, Judy Cardone, and Sharon Robbins also contributed with valiant efforts. The future of the girls' team is looking better.

"I thank my God for you all every time I think of you; and every time I pray for you I pray with joy at having known you.

This is my prayer for you: I pray that your love of God and the love you have for each other will continue to grow so as to become more and more perfect, together with true knowledge and sound judgement, so that you will be able to choose what is best. Then your lives will be full of the good qualities which the Lord alone can produce, for the praise and glory of God our Father.

I want you to know, my friends, that you are always in my heart. May the Lord bless your lives with much joy."
